

06-23-2012 Today our son David drove us to Brugge, Belgium.

It was quite a trip and as beautiful as you said it would be Sue and Betty (our Bannana Bay friends).

So many things to see ... the canal.

The churches

And cathedrals

The wall of beer

.... and of course this is a place where you truly can shop till you drop!

For lunch, David, Angie, mom and dad had to have Belgium mussels and fries ... Oh so good!

It was a great trip with too much to see and do for one day.

Thanks David!!
